DESCRIPTION OF MEMBERSHIPS & PARTNERSHIPS

Intercoiffure America Canada provides a variety of different membership types to cater to the wide variety of businesses and individuals in the professional salon industry.

CLASS A MEMBERSHIP CRITERIA

- Must own at least 50% of a salon.
- Must be a licensed cosmetologist.
- Must own a commission based or salary based salon.
- Must be sponsored by a member of ICA in your state or (2) ICA members if out of your state.
- No booth rental salons, chair rental suites, rental salons, other types of non-employee or rent based businesses and any individual utilizing an independent contractor in their salon are not eligible to be a Class A Member. 1099 or W-9 employers are not eligible.

CLASS A PARTNER CRITERIA

- Own a salon, OR have a financial interest in a salon owned by a Class A member.
- Does not require a cosmetology license.
- Individuals that qualify for Class A membership cannot elect to be a Class A Partner instead.
- No booth rental salons, chair rental suites, rental salons, other types of non-employee or rent based businesses and any individual utilizing an independent contractor in their salon are not eligible to be a Class A Partner. 1099 or W-9 employers are not eligible.

MANUFACTURER PARTNERSHIP CRITERIA

- Reserved for manufacturers of premium professional beauty products and related industries. This partnership gives you access to the elite salon owners who comprise ICA's primary membership. Manufacturer partners are invited to showcase their brands and network with Class A Members at ICA events.

SCHOOL PARTNER CRITERIA

- A licensed or accredited cosmetology or hairdressing school, academies, and education centers that result in a cosmetology license issued to attendees
- May not own or have a financial interest in a salon owned by a Class A member
- The School Partner, not any individual, is the admitted participant and shall be identified by School name.
